

Hatfield Health Matters

Tuesday March 12th 730pm

Local / regional experts and Health Care providers will present:

Parkinsons Disease – The Realities

What it is, diagnosis and treatment, what you can do to help yourself, when to ask for medical advice, living well with Parkinson's, and what support is available locally.

This is your opportunity to learn more about Parkinsons and ask questions of the experts.

Space is limited and we ask everyone to please register in advance. For more information and to register click on the link:

<https://HatfieldHealthParkinsons.eventbrite.co.uk>

Hatfield Social club is at 76 Great North Road, AL9 5ER, opposite Hatfield Station Car Park. The Club has a bar for coffee and drinks and there is plenty of parking at the venue itself and behind the nearby Great Northern Pub.

(If you don't do the technology please contact us on 01707 265213 and we will do our best to help)

The Hatfield Primary Care Network needs your support

We are always looking for members to join the patient groups which support the four local surgeries. The patient groups communicate information between patients, the surgeries and the wider NHS, support vaccinations, and organise events such as Hatfield Health Matters.

Past events have been Dementia, Mental Health, Diabetes and Cancer and COPD. If you would like to receive information about future events, suggest future events, or generally get more involved with your surgery please fill in the form on your surgery website (links below), or send an email to the patient group info@hatfieldhealthmatters.org.uk. Your email address will not be shared with anyone other than your practice, and you can of course ask to be removed from our mail list at any time.
